OR in the digital era - ICT challenges

*Proceedings of the 6th International Symposium &
28th National Conference on Operational Research*

At the occasion of the 6th International Symposium & 28th National Conference on Operational Research, (HELORS 2017), June 8-10, 2017, Thessaloniki, Greece (<http://eeee2017.uom.gr>), we invite all conference participants to submit their research work to the forthcoming book of Springer Proceedings in series: Springer Proceedings in Business and Economics (<http://www.springer.com/series/11960>), dedicated to HELORS 2017. The contributions should be of a high standard and of current interest. Submitted papers will be refereed by at least 2 independent referees of the scientific committee.

Contributing authors should use the style files for multi-author books and follow the technical instructions available at the conference web site. Papers that do not comply with these guidelines will not be considered for publication.

Submissions of papers should be made through the Online Conference Service (OCS) of Springer available at: <https://ocs.springer.com/ocs/home/EEEE2017>

Important Dates

Submission deadline: 30 June 2017

Author notification - review comments: 31 August 2017

Final manuscript (second review cycle) due: 30 September 2017
